THE WELL 1969

To laugh in the sunshine,
to gladden the world!

Padraic Colum

ROAD

NEWTON
COLLEGE
OF THE
SACRED
HEART

Be like the sun and the meadow,
which are not in the least concerned about
the coming winter.

George Bernard Shaw

Thy face remembered is from other worlds,
It has been died for, though I know not when,
It has been sung of, though I know not where.

Stephen Phillips

I do not know what I may appear to the world; but to myself I seem to have been only like a boy playing on the sea-shore, and diverting myself in now and then finding a smoother pebble or a prettier shell than ordinary, whilst the great ocean of truth lay all undiscovered before me.

Sir Isaac Newton

Between the idea
And the reality
Between the motion
And the act
Falls the shadow.

T. S. Eliot

We shall not cease from exploration
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time.

T. S. Eliot

glad and young
For if you're young, whatever
life you wear
it will become you; and if you
are glad
whatever's living will yourself
become.

Don't you dare to steal my heart
